

BS8599-1:2019 Compliant

Deluxe First Aid Wall Station

Critical items are identified immediately through the clear protective cover, making it much easier to administer first aid correctly and keep check on all-important stock levels.

Fluorescent white lettering for easy location in dim light.

Prominently display your first aider's contact details right here, alongside practical and valuable guidance for an emergency.

An efficient and attractive solution for storing first aid supplies in the workplace.

British Standard compliant first aid kits reflect the most up-to-date changes in both workplace practice and risks, making them demonstrably more 'fit for purpose' in today's environment.

The deluxe wall station is manufactured from high quality, wipe clean ABS plastic, with a dustproof lid to keep contents clean. Each wall panel displays all the British Standard compliant contents in a way that ensures effortless selection of specific components and enables effective treatment.
