EYE POD STATION

Now made with **100% recycled and recyclable plastic** the updated Reliance Medical eye pod station is now more versatile than ever before, ensuring eye wash facilities are on hand for minor eye irritations. Due to its new compact (smaller than A5) size, it can be wall mounted in a variety of locations for quick access and features an extra-large shatterproof acrylic mirror for easy application and accurate self-treatment. Finished in a high visibility green for easy location in a first aid situation, the complete station includes eight 20ml sterile saline pods and two eye pad dressings, to provide fast and effective relief to minor injuries.
